# AWARDS AND CORPORATE SOCIAL RESPONSIBILITY

## CERTIFICATED AS ENVIRONMENT FRIENDLY

Yorglass production plants have successfully passed the environmental controls regulated by the local authorities and have been certified as an 'Environment Friendly Company'.

...

## THE FIRST AND THE ONLY CARBON FOOTPRINT CERTIFICATED GLASS PROCESSOR

We think and care about the nature and know exactly, it means our future. Yorglass measures and evaluates it's carbon footprint and takes the key step on the path to a sustainable business practice

**YORGLASS**

## YORGLASS PEACE CHILDREN'S ORCHESTRA

Yorglass combines art with little talents: Yorglass Peace Children's Orchestra The **Yorglass Peace Children's Symphony Orchestra**, which set out to bring children with limited financial resources to music and continues to work under the sponsorship of Yorglass, provides the opportunity for more than 70 children to meet with art.

The main purpose of the Yorglass Peace Children's Orchestra, a musical education model which was formed from children with limited socio-economic opportunities, living in the districts of Kadifekale, İkiçeşmelik, Agora and Eşrefpasa in İzmir, taking the “El Sistema” model established in Venezuela in 1975; to provide as many children as possible with unrequited music education, to announce the sound of peace with music and to remove the barriers to the right to participate in art by integrating with the social fabric of the neighborhood where it was founded.

## YORGLASS ACADEMY

Yorglass, one of the leading names in the industrial glass sector, organizes seminars and training organizations on technology, finance, quality and raw materials with the support of the global network of suppliers and customers and its experience of half a century.

More than 1000 business partners have been trained in Yorglass Academy, which is aimed at gaining a sectoral perspective.
